

Empowering Growth Ensuring Compliance Elevating Success

 **Experto Group**

Managed by - Experto Finopreneurs Private Limited

Your Experts In Growth

#startupindia

About us Experto Group

Experto Group is your trusted partner, empowering businesses at every stage. We offer comprehensive solutions designed to streamline operations, ignite growth, and ensure compliance in today's dynamic business world. From seamless expansion and optimized finances to unwavering legal support, we're architects of your success, crafting tailored strategies so you can focus on leading your business. Imagine: optimized resources, minimized risks, and a clear path to prosperity – that's the Experto advantage.

Our expertise spans key business areas. We build foundations through industrial infrastructure development, cluster solutions, and turnkey project management. We fuel growth with SME IPO guidance, project finance assistance, subsidy/incentive identification, virtual CFO services, and bespoke growth strategies. We ensure peace of mind with company registrations, legal counsel, and pollution control board solutions. Furthermore, we power your operations with electricity board support, solar energy solutions, government tender services, and real estate expertise.

Experto Group is more than a service provider; we're your strategic ally, dedicated to your long-term success. Contact us today, and let's embark on your journey to prosperity.

MISSION

Providing strategic solutions for industrial, financial, and business growth, helping enterprises navigate regulations and operations efficiently.

VISION

To be the most trusted partner for businesses, delivering expert-driven solutions that drive success, innovation, and compliance.

Core Services

15. Environmental & Pollution Clearances
16. Government Incentives & Subsidies
17. Legal & Compliance Support
18. Liaison with MIDC & Government Authorities
19. Project Feasibility & Investment Advisory

Subsidies & Incentives (State & Central) Related Solutions

1. Industrial & Manufacturing Sector Incentives
2. Tourism Sector Subsidies
3. Agriculture & Agro-Processing Incentives
4. Horticulture Sector Benefits
5. Warehousing & Logistics Subsidies
6. Textile Sector Incentives
7. Aerospace & Defence Sector
8. IT/ITES & Electronics Sector Benefits
9. Toys & Handicrafts Sector Incentives
10. Renewable Energy & Green Projects
11. Export Promotion & Foreign Trade Incentives
12. Startup & MSME Support
13. Women & SC/ST Entrepreneurial Schemes
14. Research & Development (R&D) Grants
15. Infrastructure Development Support
16. Skill Development & Employment Generation Incentives
17. Compliance & Documentation Assistance
18. Liaison with Government Authorities

Pollution Control Board Related Solutions

1. Environmental Clearance Certificate (EC)
2. Consent to Establish (CTE) & Consent to Operate (CTO)
3. Effluent Treatment Plant (ETP) Installation & Compliance
4. Zero Liquid Discharge (ZLD) Solutions
5. Sewage Treatment Plant (STP) Setup & Maintenance
6. Hazardous Waste Disposal & Management
7. Consent for E-Waste Management
8. Air & Water Pollution Control Compliance
9. Bio-Medical Waste Management Compliance

10. Noise Pollution Compliance & Testing
11. Environmental Impact Assessment (EIA) Studies and Reports
12. Wastewater Recycling and Rainwater Harvesting Approvals
13. Carbon Credit & Green Certification Assistance
14. Liaison with Pollution Control Board Authorities
15. Regular Compliance Audits and Environmental Risk Assessments
16. Legal Support for Pollution-Related Issues

Project Finance Related Solutions

1. MSME Project Finance Through Banks & NBFCs
2. Equity Funding & Debt Syndication
3. Startup & Standup India Advisory
4. Project Report & Financial Feasibility Studies
5. External Commercial Borrowings (ECB) & Foreign Investments
6. Infrastructure & Industrial Project Financing
7. Refinancing & Loan Restructuring
8. Government & State-Backed Loan Schemes
9. Working Capital & Trade Finance
10. Non-Banking Financial Solutions
11. Green & Sustainable Project Financing
12. Liaison with Financial Institutions & Credit Rating Agencies
13. Financial Strategy & Risk Management
14. Legal & Documentation Support
15. Business Expansion & Acquisition Financing

Government Tenders & Bidding Solutions

1. Tender Identification & Opportunity Assessment
2. Pre-Bid Consultation & Documentation
3. Compliance Management & Pre-Qualification Support
4. Bid Strategy & Cost Optimization
5. Tender Submission & E-Procurement Assistance
6. Bank Guarantee (BG) & EMD Arrangements
7. Liaisoning & Representation Before Authorities
8. Post-Tender Award Compliance & Contract Execution
9. Subsidy & Incentives Advisory for Government Contracts
10. Consortium & Joint Venture (JV) Formation for Tenders
11. Dispute Resolution & Legal Support
12. Market Research & Competitor Analysis
13. Performance Audits & Contract Monitoring
14. Exit Strategy & Contract Termination Advisory
15. Financial Planning for Long-Term Tender Participation
16. Private & International Tenders Advisory
17. Renewal & Extension of Government Contracts
18. Technology Integration for Government Tenders
19. Sector-Specific Tender Assistance
20. Risk Mitigation & Fraud Prevention in Bidding

Growth & Digital Solutions

1. Website Design & Development
2. App Development
3. IT Infrastructure Management
4. Printing & Branding Solutions
5. Digital Marketing & Lead Generation
6. Creatives & Content Management
7. Product Ideation to Execution
8. Business Growth Consulting
9. Influencer & Affiliate Marketing
10. E-commerce & Marketplace Development
11. Social Media & Community Building
12. Email & SMS Marketing Automation
13. Business Process Automation
14. AI & Data Analytics for Growth
15. Reputation & Online Presence Management
16. Marketplace & Franchise Expansion
17. Investor Pitch Deck & Business Proposal Writing
18. Growth Hacking Strategies
19. Ad-Tech & Performance Marketing Solutions
20. Liaison & Networking for Business Expansion

Virtual CFO Solutions

1. Financial Strategy & Planning
2. Cash Flow Management
3. Accounting & Compliance Oversight
4. Fundraising & Investor Relations
5. Profitability & Cost Optimization
6. Business Performance Analysis
7. Tax Planning & Advisory
8. Budgeting & Forecasting
9. MIS Reporting & Financial Dashboarding
10. Internal Controls & Risk Management
11. Corporate Restructuring & Business Valuation
12. ERP & Financial System Implementation
13. Forensic Accounting & Fraud Detection
14. ESG & Sustainability Financial Reporting
15. Liaison with Financial Institutions & Regulatory Bodies
16. Crisis Management & Financial Turnaround Strategies
17. IPO & SME IPO Preparation
18. Exit Planning & Succession Advisory

Comprehensive Legal Solutions

1. Legal Drafting & Documentation
2. Labour & Industrial Law Compliance
3. Civil, Criminal, Family, Revenue & Consumer Cases
4. Trademark, Copyright & Intellectual Property (IP) Services
5. Regulatory & Business Compliance Solutions
6. Agreement Adjudication & Registration
7. RERA & Real Estate Legal Advisory
8. Banking & Finance Legal Services
9. Corporate & Commercial Law Solutions
10. Mergers, Acquisitions & Business Restructuring

11. Arbitration & Dispute Resolution
12. Environmental Law Compliance

15. Legal & Taxation Support for Real Estate Transactions
16. Redevelopment & Slum Rehabilitation Projects
17. Title Clearance & Mutation of Property
18. Infrastructure & SEZ Real Estate Advisory

Electricity Board & Power Infrastructure Solutions

1. Electrical Turnkey Solutions
2. EV Charging Infrastructure & Manufacturing
3. Solar Power Projects
4. Electrical Audits & Energy Efficiency Optimization
5. Power Load Sanction & Electricity Board Approvals
6. Captive Power Plant Setup
7. High Voltage (HV) & Low Voltage (LV) System Installation
8. Transmission & Distribution (T&D) Solutions
9. Industrial Electrification & Smart Metering Solutions
10. Power Purchase Agreements (PPA) & Open Access Advisory
11. Harmonics & Power Factor Correction Solutions
12. Diesel Generator (DG) Set Installation & Maintenance
13. Electrical Safety Compliance & Fire Protection Advisory
14. Lightning Protection & Earthing System Installation
15. Liaison with Electricity Boards & Regulatory Authorities
16. Waste-to-Energy Solutions
17. Street Lighting & Smart City Electrification

Solar Energy Solutions & Renewable Power Advisory

1. Solar Panel Installation
2. Solar System Maintenance & Performance Optimization
3. Net Metering & Grid Connectivity Assistance
4. Solar Battery Storage & Hybrid Energy Systems
5. Industrial Solar Power Solutions
6. Solar EPC (Engineering, Procurement and Construction) Services
7. Floating Solar Power Plants
8. Solar-Powered EV Charging Stations
9. Agricultural Solar Solutions
10. Solar Street Lighting & Public Infrastructure Solutions
11. Solar Leasing & PPA (Power Purchase Agreement) Advisory
12. Waste-to-Energy & Bio-Solar Hybrid Solutions
13. Solar Policy & Regulatory Compliance
14. Carbon Credit & Green Energy Certification
15. Liaison with DISCOMs & Government Agencies
16. Rural Electrification & Community Solar Projects

Business Consultancy & Regulatory Compliance Solutions

- o Business Entity Formation & Structuring
 - o Limited (LTD) & Private Limited (PVT. LTD.) Companies

3. Fire Sprinkler Systems – Design & Maintenance
4. FM200 Gas Suppression System
5. Fire Alarm & Detection Systems
6. Emergency Fire Evacuation & Safety Plans
7. Fire Extinguisher Supply & Servicing
8. Passive Fire Protection Solutions
9. Industrial Fire Safety Compliance & Certifications
10. Fireproofing Electrical & Mechanical Installations
11. Automatic Fire Suppression for Vehicles & Machinery
12. Sprinkler & Hydrant System Maintenance & Retrofitting
13. Kitchen & Commercial Cooking Area Fire Suppression Systems
14. Explosion Protection & Hazardous Area Fire Safety
15. Warehouse & Storage Facility Fire Safety Solutions
16. Fire Protection Training & Awareness Programs
17. Liaison with Fire Departments and Regulatory Authorities
18. Smart Fire Detection & IoT-Based Fire Safety Systems

Shed & Infrastructure Development Solutions

1. Pre-Engineered Buildings (PEB)
2. Warehouses & Godown Construction
3. Steel Buildings & Structural Fabrication
4. Mezzanine Floor Construction
5. Cold Storage Infrastructure
6. Civil Construction & Industrial Infrastructure
7. Sheet Roofing & Weatherproofing Solutions
8. Bridge & Heavy Infrastructure Construction
9. Hi-Tech Cow Shed Construction
10. AC Poultry Shed Construction
11. Solar-Integrated Shed Construction
12. Multi-Purpose Farming & Agro Shed Solutions

13. Heavy-Duty Crane Shed & Industrial Support Structures
14. Fireproof & Disaster-Resistant Building Solutions
15. Retrofitting & Upgradation of Existing Structures
16. Liaison & Approval for Industrial Shed Construction

Comprehensive Insurance & Risk Management Solutions

1. Factory & Industrial Insurance
2. Medical & Health Insurance
3. General Insurance Solutions
4. Life Insurance & Retirement Planning
5. Business Liability & Professional Indemnity Insurance
6. Cyber Insurance & Data Protection Coverage
7. Property & Commercial Real Estate Insurance
8. Keyman Insurance for Businesses
9. Trade Credit & Supply Chain Risk Insurance

13. Marine & Cargo Insurance
14. Aviation & Aerospace Insurance
15. ESG & Environmental Liability Insurance
16. Jewelry & High-Value Asset Insurance
17. Government-Backed Insurance & Subsidized Policies
18. Liaison with Insurance Companies & Claims Assistance

Labour Supply & Housekeeping Solutions

1. Supply of Skilled & Unskilled Labour
2. Industrial Housekeeping Services
3. Contract Labour Management
4. Security & Facility Management
5. Machine Operators & Technicians Supply
6. Housekeeping for Residential & Commercial Buildings
7. Pest Control & Sanitization Services
8. Waste Collection & Disposal Services
9. Event & Hospitality Support Staffing
10. Manpower for Logistics & Warehousing
11. Payroll & Compliance Management for Contract Workers
12. Fire & Safety Management Teams
13. Garden & Landscaping Maintenance Services
14. Electricians, Plumbers & General Maintenance Staff
15. Customized Workforce Solutions for MSMEs & Large Industries
16. Liaison with Labour Authorities & Compliance Assistance

Industries Served

- Manufacturing and Industrial Sectors
- Infrastructure and Warehousing
- MSMEs and Emerging Enterprises
- Government and Public Sector
- IT/ITES and Digital Enterprises
- International Trade and Export Businesses

Distinctive Edge USP

- Unmatched expertise in regulatory compliance
- Integrated business solutions from startup to expansion
- Strong government & industrial network
- Tailored financial structuring for scalable growth

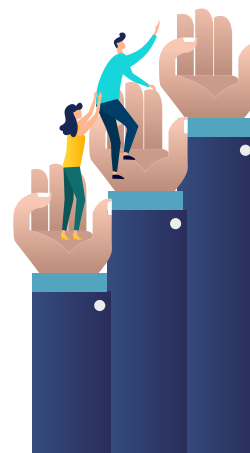

Responsibilities and Expertise

- Strategic Business Growth and Operations
- Financial and Regulatory Compliance Management
- Government and Industrial Liaison
- Project Execution and Stakeholder Management

Strategic Expansion and Future Vision Growth Roadmap Innovation Strategy

- Scaling Global Business Advisory Services
- Leveraging AI & Digital Innovations in Consulting

Team Profiles

Here are the professionally drafted profiles of all team members:

1. ABHISHEK KULKARNI

Abhishek Kulkarni expert in industrial land acquisition, regulatory approvals, and government subsidies across Maharashtra, Gujarat, MP, Rajasthan, and Goa. With expertise in clearances, licensing, and tenders, he offers end-to-end solutions for business expansion and subsidy optimization.

2. LAKSHYA CHHAJER

A digital transformation expert, Lakshya Chhajer specializes in branding, social media marketing, and business automation strategies. His expertise supports businesses in enhancing digital presence and customer engagement.

3. CA RAVINDRA CHHAJER

A highly experienced Chartered Accountant, CA Ravindra Chhajer specializes in finance, taxation, industrial compliance, and government tenders. He leads multiple services, including project finance, virtual CFO services, and regulatory advisory, helping businesses achieve financial optimization and sustainability.

4. CA VIRENDRA CHHAJER

With expertise in government policies, CA Virendra Chhajer specializes in securing state and central subsidies across industries. His strategic insights help businesses maximize financial incentives and optimize funding structures.

5. CA NACHIKET JAKHETIYA

An expert in project finance and real estate advisory, CA Nachiket Jakhetiya provides financial solutions, including MSME financing, equity funding, debt syndication, and RERA compliance for builders and developers.

6. CA HITESH JAIN

A specialist in business structuring and tax compliance, CA Hitesh Jain provides advisory on government incentives for various sectors, including manufacturing, IT, and aerospace.

7. CA NAMIT JAIN

With expertise in financial structuring, subsidies, and taxation, CA Namit Jain supports businesses in optimizing tax liabilities and securing government-backed financial assistance.

8. CA PRATIK KEJRIWAL

A financial expert with a strong background in taxation and investment advisory, CA Pratik Kejriwal specializes in RERA compliance and structuring real estate financial strategies.

9. CA MAMTA RAJANI

An expert in state and central government incentives, CA Mamta Rajani helps businesses leverage financial aid and navigate complex compliance procedures.

10. CA RAKESH BOTHRA

A seasoned SME IPO and project finance expert, CA Rakesh Bothra specializes in capital markets, debt syndication, and structured finance solutions for business expansion.

11. CA VARUN JAIN

A corporate compliance specialist, CA Varun Jain assists businesses with ROC filings, tax audits, and regulatory structuring, ensuring seamless compliance and governance.

12. CA HARSHIT MALPANI

A finance and investment strategist, CA Harshit Malpani provides advisory on financial restructuring, corporate taxation, and investment planning.

13. CA VIVEK PARAKH

An expert in financial planning and investment management, CA Vivek Parakh offers strategic guidance on fund management, risk assessment, and working capital optimization.

14. CA VIJENDRA JAIN

A virtual CFO and risk management consultant, CA Vijendra Jain provides expertise in financial restructuring, compliance management, and corporate finance.

15. CS GUNJAN JAIN

A Company Secretary with expertise in corporate governance, CS Gunjan Jain assists businesses with legal structuring, regulatory filings, and corporate compliance.

16. VAIBHAV MAHAJAN

A subsidy and incentive consultant, Vaibhav Mahajan specializes in financial structuring, industrial subsidies, and tax planning to optimize business costs.

17. RAHUL WAGHMARE

An expert in cluster development and government incentives, Rahul Waghmare supports businesses in setting up industrial clusters and securing state and central grants.

18. RUSHIKESH DESHPANDE

Leading turnkey project solutions, Rushikesh Deshpande provides end-to-end execution support for industrial, commercial, and infrastructure projects.

19. SUNIL PATIL

A specialist in environmental compliance, Sunil Patil ensures businesses meet pollution control board regulations, obtain environmental clearances, and implement waste management systems.

20. PRASHANT DESHPANDE

A power infrastructure consultant, Prashant Deshpande provides turnkey electrical solutions, including solar energy integration, EV charging infrastructure, and energy audits.

21. MRUGEN KULKARNI

A renewable energy expert, Mrugen Kulkarni specializes in solar energy solutions, sustainability strategies, and compliance for green energy projects.

22. SIJO POLARAN

An expert in solar energy system installations, Sijo Polaran provides customized solar solutions for residential, commercial, and industrial setups.

23. MALHAR COMMUNICATIONS

A digital branding and IT solutions provider, Malhar Communications specializes in website development, digital marketing, and business growth strategies.

24. ADV. SHEKHAR DESHMUKH

A legal consultant specializing in corporate law, real estate law, and regulatory compliance, Adv. Shekhar Deshmukh ensures businesses meet legal obligations efficiently.

25. GIRISH NEVE

An insurance specialist, Girish Neve offers risk management solutions, covering factory, medical, life, and general insurance policies.

26. KRISHNA PATIL

A growth strategist, Krishna Patil specializes in brand building, social media marketing, and business automation.

27. KISHOR PATIL

A digital business consultant, Kishor Patil focuses on market expansion, digital branding, and IT solutions to enhance business visibility.

28. ADV. KUNAL SHITRE

A legal expert specializing in labor laws and corporate dispute resolution, Adv. Kunal Shitre provides legal representation and compliance advisory.

29. ADV. APARNA PATIL

A specialist in corporate and business law, Adv. Aparna Patil provides advisory on contracts, intellectual property, and legal compliance.

30. MEESHA MEHTA

A legal consultant specializing in real estate transactions, corporate law, and business regulatory compliance.

31. NANDKISHOR JAKHETIYA

A real estate consultant with expertise in land acquisitions, title due diligence, and government approvals for industrial and commercial properties.

32. ADITYA KULKARNI

A fire safety expert, Aditya Kulkarni specializes in fire hydrant systems, sprinklers, and compliance advisory for fire protection.

33. KAILASH MAGAR

An infrastructure development specialist, Kailash Magar provides solutions for industrial sheds, warehouses, and construction projects.

34. YASHOVARDHAN MUTALLIK

A manpower solutions provider, Yashovardhan Mutallik offers workforce management, labor supply, and housekeeping services.

35. SANJAY JADHAV

A specialist in industrial infrastructure development, Sanjay Jadhav focuses on civil construction, pre-engineered buildings, and logistics infrastructure.

36. PRITAM JANKAR

An expert in workforce solutions, Pritam Jankar provides contract labor management and facility maintenance services.

37. AMRUTA MAGAR

A facility management expert, Amruta Magar specializes in housekeeping, security services, and sanitation management.

This team of professionals provides a comprehensive range of industrial, financial, legal, environmental, and digital solutions, ensuring businesses achieve efficiency, compliance, and sustainable growth.
